### LUTHERAN HIGH IS ACCREDITED!

The Accredited Schools Association (ASA) welcomed Lutheran High-School Fremont as of July 2025! As a member of the ASA and partner with Acellus Academy, ASA accreditation gains Lutheran High recognition through the Western Association of Schools and Colleges (WASC). This means that our students earn accredited transcripts ensuring transferable credits to another K-12 school or their future college, vocational school, employer and military.

### PARTNER LUTHERAN HIGH SCHOOLS

We welcome Springfield Lutheran High School in Missouri. They launched last week with 5 students. We also remember LuTec a newer Lutheran High School in Orange County, California who is opening this year with 8 students. LuHi has a school model similar to Lutheran High-Fremont. We will be praying for these and other Lutheran schools during this school year.

## CHRIST THE CORNERSTONE-CAMPAIGN

### THE BOB AND RUTH GNUSE TUITION SCHOLARSHIP

A reminder that a \$2,000 scholarship is available to students that register. Please let your friends and neighbors know about this opportunity! Any family can apply for additional scholarship help. We believe that no student should be denied a Lutheran High School-Fremont education due to an inability to pay. We will work with you to make it possible!

## ENROLLMENT

Each of our students has met with Mrs. Cooksey in her role as Admissions Director to set their class schedule for the school year. Lutheran High enrollment is open even after school begins! Please share the good news of Lutheran High with everyone! The next student is out there! **We have seven fully enrolled students.** Please pray for students 8 and 9 to discover the amazing possibilities of a blended education.
