National Lutheran Schools Week Highlight!

As part of our National Lutheran Schools Week celebration, students and teachers at Lutheran High-Fremont had the opportunity to help create a special school quilt. Each block was thoughtfully designed and personalized, reflecting the creativity and spirit of our LuHi family.

We are deeply grateful to the Trinity Quilters, who generously shared their time and talent to guide our students through the process and bring the project together. Pictured here is Christine Kiersch of the Trinity Quilters assisting Lea as the quilt began to take shape.

This meaningful collaboration is a beautiful reminder of the partnership between our school and supporting congregations — stitching together faith, creativity, and community.
