And **“YES”** we integrate faith into the entire school day. www.luhi-fremont.org

THE BOB AND RUTH GNUSE TUITION SCHOLARSHIP

A \$2,000 scholarship is available to students that are accepted at LuHi. Let your friends and neighbors know about this opportunity! We believe no student should be denied a LuHi education due to an inability to pay.

FlightLab is Taking Off!

LuHi-Fremont's new **FlightLab Drone Club** is bringing aviation, technology, coding, and hands-on problem-solving together in a whole new way.

Students do much more than simply learn to fly a drone. Through FlightLab, they will:

- Learn PYTHON Programming skills
- Explore autonomous flight
- Learn safe and responsible drone operation
- Develop precision flying and navigation skills
- Complete missions, challenges, and competitions
- Share what they learn by helping introduce younger students from St. Paul-West Point to drone technology

Help FlightLab Get Off the Ground!

We are currently purchasing **three indoor educational drones at \$175 each** for the program—and we're looking for **FlightLab supporters!** **Sponsor one drone: \$175** **Help fund all three: \$525** **Or make a gift of any amount toward FlightLab equipment and supplies.**

Your support puts technology directly into students' hands and helps LuHi students learn, create, lead, and teach others.
